An hundred and twenty yeres before ✠ flood the spirit of Christ went & preached by Noah that preacher of righteousnes to ✠ wicked world: but said God, my spirit shall not alway reast in man for hee is but flesh and his daies shall be 120

Noah 16 commanded the goe into ✠ arke with Sem Ham and Japheth all eight soules

Part of July and all August he taried for the waters to rise

God blesseth Noah & his sonnes saying Increase & multiplie & vide This vnitie of mind in Noah was soone forgot so that S. Paul pleadeth & vnderstoode of Athens in mind of ✠ same God made of one bloud all mankinde for to dwell on all the face of the earth Act 17.26

Noah a husbandman planteth a vineyard, is drunken, lyeth naked, blameth Ham, curseth Chanaan, blesseth Sem & Japheth, lyeth with Sem & Japheth take a garment and cover their father, prophesieth vpon the generation of Sem & Japheth & of their posterity

The first month 1 day of the month ✠ erth was dried vp

The 2 month the 27 day ✠ lord bid Noah to come forth of ✠ arke

Rabbi Leui Ben Gerson saith ✠ from the beginning of ✠ flood vntill ✠ end of the same was a full yere

Noah buildeth an altar he taketh of all cleane beasts & foules & offereth burnt offrings vpon the same

This I shall affirme to Christ who gathereth vnto him self for ever to be a sacrifice or oblation

The rainbow is given to Noah for a testimonie of the covenant & this world shall no more perish by water but by fire 2 pet. 3

This Rainbow may applieth to Christ Isa 54. 8 I will giue thee my covenant for a testimonie that I will no more be angrie with thee nor rebuke thee for this is vnto me as ✠ waters of Noah for as I have sworne ✠ waters of Noah shall no more ouerflow the earth so have I sworne ✠ I will be merie to and not chide with thee

This name is also applied to ✠ ark for a confirmation of assurance of ✠ gods fauor against the waters, wherevnto ✠ Apostle Peter doth expresly alude 1 pet. 3.

God spared not ✠ old world but saued Noah a preacher of righteousnes and brought ✠ flood vpon ✠ vngodlie

This they willingly knew not ✠ the heauens were of old & the earth standing out of the water & in the water consisting by the word of god for which cause that world that was perished ouerflowed with water

If these three men Noah Daniel & Job were among them yet they shall not deliver but their owne soules

Asinthe dayes of Noah so shall ✠ coming of ✠ sonne of man be for as in ✠ daies before ✠ flood they did eate & drinke marrie & giue in marriage vntill ✠ day that Noah entred into ✠ arke & knew not vntill ✠ flood came & took them all away

The Arke is made

The Floude

The waters prevailed 150 daies after they abated

The 17 day of ✠ 7 month ✠ arke rested vpon the mountes Ararat

The 10 moneth ✠ first day of ✠ same were ✠ tops of ✠ mountaines seene

After 40 daies he sendeth forth a raven and he went out & returned

After seven daies he sendeth forth a doue which found no place to light on returned

Noah 23 from Adam his death 129 yeres after Enoch his translation 70 yeres after Seth his death in ✠ yere wherein Methuselah ✠ yere before death 23.

Noah 29 from Adam his death 129 yeres after Enoch his translation 70 yeres after Seth his death in ✠ yere wherein Methuselah ✠ yere before death 23.

Lamech the wonderer kept in mind ✠ speach of the lord for Cain but despised the same and neglecting ✠ right & true sence and vnderstanding of ✠ same not vnderstanding ✠ Cain shall be 7 fold punished but he 77 fold vengeance

The Prophet Daniell here beginneth with

the Captivitie of Babilon. He speaketh of our Sauiour, shewinge in what yere he should die to ye 70 he liued and how he defended his church in ye meane time against Babilon Persia Alexand: & Syria. He foretolde many of them acts prophetically a straunge from ye custome of men vsed to signifie Christ & also ye oppressors but he expresseth him self in proper speaches. Our Sauiour is called in the old testament sometime when he is also termed in his owne person only & not only in his figure as in Aron Daniel Cyrus & a stone. 2 Chap 3.4 He y numbreth waightes & diuideth. chap 5.25 Palmoni He y hath secrets vnmbred chap 7.9 a iudgement a seate throne 10.13 Michael he who being in the forme of god thought it no robberie to be equall with god 12 he is closed in the booke like flaron 10.5 he is compared wth ye Angel Gabriel ye first prouer name of any created angels hath in the scriptures. Whereupon ye auncient Hebrewes said ye 4 gen fathers brought angels wth them from captivitie.

The first vision

Behold a great image high bright glittering & liing vp. Dan. 2.31

God shewed to Nebuchadnezzar what is to come concerning ye kingdome of ye kingdome of ye holy saints

The head of ye was of fine gold chap 2	The kings of Babilon and ye head of gold	Nebuchadnezzar Euilmerodach Baltasar
The breast and the armes were of siluer	The second kingdom more base then ye first	Media and Persia
The belly and sides were of brasse	The third kingdoms of brasse wch shall rule ouer all ye earth	Grecia and Alexander wth his captaines
The thighes were part of iron & the feet part of iron & clay	The fourth kingdom shall be hard like iron for as iron breaketh all things so shall it breake & bruise all things but as two were not of like part of iron & clay so shall ye kingdom be, the strong & ye weake and one shall not be ioyned with another as iron is not mingled with clay	Syria and Egipt

The second vision

Behold ye great windes of heaven strake vpon ye great sea & fowre great beasts came out of ye sea.

The waters ben ye nations which are signified by the fowre kingdomes of ye earth which arise out of ye earth wch shall inuade ye kingdome of ye holy saints.

The first was like a lion & had eghe wings

The 2 beast like a beare wth 3 ordinall one gouernment hauing ribbes in his mouth which said vnto him arise & deuoure much flesh

The 3 beast was like a leopard wch had 4 wings vpon his back & had also 4 heads

The 4 beast was fearfull terrible & verie hard ye had great iron teeth ye bruised & stode ye rest vnder feete ye was vnlike to the former & had ten hornes

The third vision

Behold a Ramme standing before a riuer wch had 2 hornes the one higher then ye other and ye highest came vpp laste

This Ramme wch ye hornes is ye kingdome of Media & Persia wch lifted vp his hornes northward southward & eastward

Belthasar was slayne & Darius the Mede receaued ye kingdome yet 2 kings shall stande vp in Persia and ye fourth shall be far richer then they all.

Behold a great goat came from ye west ouer ye whole earth and touched not ye ground and he had a great horne betweene his eies

A mighty king shall stand vp against ye Persians who shall leade vnto ye Iewes what him liketh chap 9.

The 4 beast is ye 4th kingdome wch shall deuoure ye whole earth & tread it downe & breake it in peeces

The first king of Egypt shall establish himself. Ptol Lagi held Syria Coel. Syria Palestina ruled many countries from Seleucus Nicator his dominion ouer Syria. Herevpon they cleare not to gether Dan 11.17 After certayn yeeres they shall make couenants to make an end but it will not hold Dan 11.6

The vision

Second vision little horne which waxed very great towards ye south east towards ye glorious land

& many countries shall be ouerthrowne but these shall escape Edom Moab & ye chiefe of ye children of Ammon

He shall stretch out his hand vpon the countries & ye land of Egipt shall not escape

He shall haue power ouer ye treasures of gold & siluer & ouer all ye precious things of Egipt Libians & Ethiopians shall follow his steps

But tidings out of ye east & out of ye north shall trouble him

The exposition

He shall prosper against ye most mighty & shall ouerthrow the holy people

& shall vse craft & cause craft to prosper in his hand & he shall magnify himself in his heart & by peace shall he destroy many he shall also stand vp against ye prince of princes but he shall be broken without hand

In other vision

There came forth an other little horne which waxed very great towards ye south towards ye east & towards ye pleasant land

& it waxed great even to ye host of heaven & it cast down some of the host & of the starres to the ground & stamped vpon them

yea it magnified itself even to the prince of the host & by him ye daily sacrifice was taken away & the place of his sanctuary was cast down

& an host was giuen him against the daily sacrifice by reason of transgression & it cast down the truth to the ground & it practised & prospered

The exposition of yt by the Angel Gabriel

There shall arise a king who shall come to the kingdome by flatterie He shall be ouerthrowne & yet not with enemies & yet not in battell

The couenant shall be broken & he shall worke deceitfully for he shall become strong with a small people

He shall enter peaceably euen vpon the fattest places of the prouince & he shall do that which his fathers haue not done nor his fathers fathers he shall scatter among them the prey & spoile & riches & he shall forecast his deuices against the strong holdes even for a time

Then shall he stirre vp his power & his courage against the king of the south with a great armie & the king of the south shall be stirred vp to battell with a very great & mighty armie but he shall not stand for they shall forecast deuices against him

Yea they that feed of his meate shall destroy him & his armie shall ouerflow & many shall fall downe slaine

And both these kings hearts shall be to do mischiefe & they shall speake lies at one table but it shall not prosper for yet the end shall be at the time appointed

Then shall he returne into his land with great riches & his heart shall be against the holy couenant & he shall do exploits & returne to his own land

At the time appointed he shall returne & come toward the south but it shall not be as the former or as the latter

For the ships of Chittim shall come against him therefore he shall be grieued & returne & haue indignation against the holy couenant so shall he do he shall returne & haue intelligence with them that forsake the holy couenant

And forces shall stand on his part & they shall pollute the sanctuary of strength & shall take away the daily sacrifice & they shall place the abomination that maketh desolate

And such as do wickedly against the couenant shall he corrupt by flatteries but the people that do know their God shall be strong & do exploits

And they that vnderstand among the people shall instruct many yet they shall fall by the sword & by flame by captiuitie & by spoile many days

Now when they shall fall they shall be holpen with a little helpe but many shall cleaue to them with flatteries

And some of them of vnderstanding shall fall to try them & to purge & to make them white even to the time of the end because it is yet for a time appointed

And the king shall do according to his will & he shall exalt himself & magnify himself against euery god & shall speake marueilous things against the God of gods & shall prosper till the indignation be accomplished for that that is determined shall be done

Neither shall he regard the God of his fathers nor the desire of women nor regard any god for he shall magnify himself aboue all

But in his estate shall he honour the God of forces & a god whom his fathers knew not shall he honour with gold & siluer & with precious stones & pleasant things

Thus shall he do in the most strong holdes with a strange god whom he shall acknowledge & increase with glory & cause them to rule ouer many & shall diuide the land for gaine

And at the time of the end shall the king of the south push at him & the king of the north shall come against him like a whirlewind with chariots & with horsemen & with many ships & he shall enter into the countries & shall ouerflow & pass ouer

He shall enter also into the glorious land & many countries shall be ouerthrowne but these shall escape out of his hand Edom & Moab & the chiefe of the children of Ammon

He shall stretch forth his hand vpon the countries & the land of Egipt shall not escape

He shall haue power ouer the treasures of gold & of siluer & ouer all the precious things of Egipt & the Libians & the Ethiopians shall be at his steps

But tidings out of the east & out of the north shall trouble him therefore he shall go forth with great fury to destroy & vtterly to make away many

And he shall plant the tabernacles of his palace between the seas in the glorious holy mountaine yet he shall come to his end & none shall help him

After a time two times and half a time shall he

the end of those wonderfull things Of ye Idol placed in ye temple from ye time of taking away ye daily sacrifice There shalbe 1290 when Antiochus shall persecute by letters patents ye religion of ye Iewes & he that shall waite & come to ye date 1335 Then Daniel rest to thy lot
